Circle the NUMBERS of the descriptions which apply to you.

Pages 5-9 are OPTIONAL; if you complete them you place yourself in the best position for us to help you.

1. rectal, nose, jockey itch	37. reaction to vinegar	80. crave sweets, coffee, liquor	117. muscles weak; arms, legs, grip or muscles wasting away
2. gout	38. reaction to bicarbonate	81. hungry "5 minutes later"	118. sharp chest pains after exercise
3. emphysema	39. bruise easily	82. wake hungry at night	119. objects fall from hands, reach in wrong places for things
4. tumors or cysts - where? _____ removed? _____	40. tension in chest, chest pain	83. night sweats	120. light objects feel heavy
5. heart disease	41. pain in left arm	84. dizzy, light-headed	121. indigestion (fullness, bloating) right after eating
6. atherosclerosis or arteriosclerosis	42. cold hands and/or feet	85. can't concentrate	122. meat feels heavy/logy
7. athlete's foot or ringworm	43. short of breath climbing	86. crave salt	123. loss of taste for meat
8. infections/type? _____	44. short of breath	87. use diet pills	124. intestinal gas
9. tonsils out/? when? _____	45. require extra sleep	88. drink beer/liquor/wine	125. bowels alternate loose/tight
10. appendix out? when? _____	46. drowsy often	89. low blood pressure	126. stomach bloats with just a little food
11. social disease (herpes/gonorrhea/syphilis/VD, etc.)	47. low exercise tolerance	90. backaches often	127. stomach burns until eating
12. bronchitis	48. high blood pressure	91. poor circulation	128. tongue coated
13. diabetes	49. sigh frequently	92. low blood sugar	129. bowel movements have bad odor
14. hypoglycemia	50. breathe loudly	93. hands/feet swell, numb	130. bowel movements thin, pencil-like
15. kidney or bladder problems	51. high altitude bothers	94. eyes sensitive to light	131. colitis (4+ bowel movements a day)
16. liver or gallbladder problems	52. nose bleeds often	95. lump in throat	132. sinus, colds, hay fever
17. thyroid problems	53. ringing in ears	96. easily startled	133. can't eat roughage
18. problem with alcohol	54. pain in left shoulder	97. prefer being alone, uneasy as "center of attention"	134. feel faint during attacks of indigestion
19. exposed to heavy metals (dye, chemicals, aluminum cookware, pollution, etc)	55. pain in left side abdomen	98. voice high-pitched during arguments	135. mucous or blood in bowel movements
20. stools show undigested food	56. blurry left eye	99. perfectionist	136. skin feels itchy
21. nausea, dizziness, headaches	57. phlebitis	100. work off worries, bothered when things are undone	137. skin feels crawly
22. gallstones	58. asthma	101. allergies	138. skin burns
23. hepatitis or jaundice	59. shingles	102. emotion causes fatigue	139. skin water, weeping
24. feet peel, burn or itch	60. feel cold, sweaty	103. perspire excessively	140. have anorexia nervosa or bulimia
25. varicose veins or hemorrhoids	61. white spots on fingernails	104. longitudinally ridged nails	141. constantly fatigued
26. onions, cabbage, radishes, cucumbers upset system	62. psoriasis	105. pulse speeds after eating	142. muscles stiff in morning
27. fats, grease upset system	63. thirsty, night sweats	106. dry mouth/eyes/nose	143. morning dizziness/nausea
28. bowel movements yellow, clay-colored, float, foul-odor	64. tired, low resistance	107. severe mood swings	144. motion sickness
29. skin gray or pasty	65. boils, corns, leg sores	108. dilated pupils	145. skin thick/wrinkly/puffy
30. skin oily	66. lesions heal slowly	109. dizzy changing positions	146. heart misses beats
31. bad breath, body odor	67. crave sweets	110. drink coffee or cola	147. night coughs/cramps
32. constipation	68. excessive urination	111. skin scaly, dry, eczema	148. slow pulse (under 65)
33. skin rashes	69. always hungry	112. osteoarthritis	149. outer third of eyebrows thin
34. pain under right rib cage	70. intense itching	113. ever had mumps, rheumatic fever, severe infections	150. bothered by cold weather
35. history of cancer	71. burning urine	114. stomach/duodenal ulcers	
36. reaction to milk products	72. low backache	115. stomach pain 5-6 hours after eating, relieved by milk or cream	
	73. blood or pus in urine	116. stomach pain 5-6 hours after eating, relieved by vacation, aggravated by stress	
	74. diuretic		
	75. ankles or eyelids swell		
	76. nervous, shaky, headaches		
	77. fatigued if hungry		
	78. irritable before meals		
	79. faintness if meals late		

151. sleepless, restless	195. much facial/body hair	236. homosexual	281. confusion, disorientation
152. lack drive, initiative	196. weak joints or flat feet	237. schizophrenia	282. digestive disturbances
153. cry easily (or want to)	197. take estrogen	238. signs of senility	283. headaches
154. morning headaches	198. take birth control pills? how long?	239. skeletal abnormality	284. eczema or skin problems
155. gag easily	199. uterus and/or ovaries removed	240. spleen disorder	285. nervousness
156. heart pounds after sleep	200. difficulty urinating: hard to start, dribbling, burning, pressure	241. stomach problems	286. short-windedness
157. hard to lose weight	201. pain in back or inside of legs	242. stutter	287. difficulty breathing
158. cold sweats often	202. prostate trouble	243. throat disorders	288. anemia
159. can't work under pressure	203. legs nervous at night	244. TMJ	289. hair loss
160. fast pulse/heartbeat of (90+)	204. lack energy or have flat feet	245. toxemia/toxicity of body	290. irregular heartbeat
161. protruding tongue quivers	205. bald or excessive hair on arms/back, muscular build	246. have had tuberculosis or typhoid fever	291. drowsiness
162. hands shake/tremor	206. lack muscle tone	247. student	292. easily confused
163. start fast but tire soon	207. difficult intercourse	248. rough, dry scaly skin	293. frequently fatigued
164. poor balance on one foot	208. lumps in testicles/breasts	249. poor night vision	294. change in skin color
165. thin skin/hair	209. can't hold breath 20 seconds	250. scar easily	295. serious skin disorders
166. insomnia, nervousness	210. yawn frequently	251. eyes discharge mucous	296. reproductive disorders
167. flush easily	211. breathless under stress	252. poor teeth/gums	297. gray hair
168. heart palpitates	212. feeling of suffocation	253. respiratory infections	298. extreme fatigue
169. eyelids twitch	213. acid foods upset	254. acne	299. muscle weakness/cramps
170. hot weather bothers	214. react to vitamin C	255. dull, dry hair or hair loss	300. frequent infections
171. irritable and restless	215. like lots of meat	256. poor sense of taste/smell	301. upper respiratory infections
172. breathless even resting	216. oily hair, dandruff, acne	257. peeling/ridged fingernails	302. cirrhosis of liver
173. anxious, worry often	217. sexual problems	258. dandruff	303. edema, swelling feet/ankles
174. hard to gain weight	218. severe headaches	259. glands in neck swell	304. liver degeneration
175. gain weight from waist up	219. tissues hold water, edema	260. nervousness or depression	305. dry stools
176. gain weight from waist down	220. insomnia, anxiety, worry	261. cry a lot (or want to)	306. eye abnormalities
177. memory failing	221. nervous, irritable	262. tooth decay	307. high cholesterol
