

HealthWatcher® Mineral Cell Salt Analysis

Date: _____

First: _____ Last: _____ Age: _____ Birthdate: _____ Ht: _____ Wt: _____

E-mail: _____ Desired Weight: _____ Marital: (M) (W) (D) (S)

Address: _____ Hm Phn: _____ Cell Phn: _____

Occupation: _____ Print usual signature: _____

Main distressing symptom: _____ Worst Time Of Day: _____

Surgeries (what/when): _____ Diagnoses: _____

CALCIUM FLUORIDE - #1

1. Prolapsed organs
2. Varicose veins
3. Flabby flesh
4. Heart trouble
5. Hanging abdomen
6. Rough and/or sensitive teeth
7. Muscles sprain easily
8. History of tumors
9. Enlarged lymph glands
10. Carbuncles
11. Ulcers
12. Skin cracks easily
13. Frequent vomiting
14. Urine has odor
15. Ruptures and/or hemorrhoids
16. Bleed easily
17. Sinusitis
18. Obesity
19. Nerves very sensitive

31. Deep ulcers
32. Neuralgia with numbness
33. Kidney stones or gallstones
34. Sore genitals or breasts
35. Night sweats
36. Gastritis
37. Anemia

CALCAREA SULPHURICUM - #3

38. Toxic liver
39. Skin eruptions
40. Deep abscesses
41. Bronchitis
42. Oozing ulcers
43. Kidney disease
44. Frontal headaches
45. Nerves sensitive

IRON PHOSPHATE - #4

46. Bleeding and painful hemorrhoids
47. Tissue inflammation
48. Frequent diarrhea
49. Frequent constipation
50. Dry stools
51. Sinus congestion with headaches
52. Insomnia
53. Heavy menstruation
54. Frequent nosebleeds
55. Recent physical injury or surgery

CALCIUM PHOSPHATE - #2

20. Poor digestion
21. Broken bones heal slowly
22. Slow rate of growth
23. Hands /feet cramp/spasm
24. Hands /feet sleep/numb
25. Debility
26. Convalescence
27. Chronic lung problems
28. Catch cold easily
29. Mucous discharge
30. Spinal curvature

56. Listlessness
57. No appetite
58. Teething fever
59. Frequent colds, fevers, sore throats, flu
60. Active measles or whooping cough
61. Bronchitis
62. Pleurisy
63. Arthritis, rheumatism or gout
64. Neuritis
65. Inflammation

MAGNESIUM PHOSPHATE - #5

66. Cramps/spasms/restless leg
67. Muscle inflammation
68. Headaches or Earaches
69. Toothaches
70. Arthritis/rheumatism/gout
71. Sharp, shooting pains
72. Writer's cramp
73. Nervous asthma
74. Heart palpitations/angina
75. Vagina spasm
76. Painful retention of urine
77. Flatulence (gas)
78. Colic pains
79. Vomiting
80. Hiccoughs
81. Squinting
82. Paralysis
83. Neuralgia
84. Painful menstruation
85. Prostrate difficulties
86. Widespread itching

87. Profuse perspiration
88. Mental exhaustion/insomnia
89. Highly sensitive/nervous
90. Thin & easily exhausted
91. Sweat when in pain
92. Clotted bleeding

POTASSIUM CHLORIDE - #6

93. Active chickenpox/mumps/measles
94. Gray-white mucous
95. Eczema
96. Croup
97. Pneumonia
98. Pleurisy
99. Swollen/congested Eustachian tubes
100. Eyes seep mucous
101. Dry nose inflammation
102. Painful menstruation
103. Menses blood dark/clotted
104. Whitish vaginal discharge
105. Sluggish liver
106. Constipation with light gray stools
107. Mucous colitis
108. Hand warts
109. Acne
110. Shingles
111. Dull, aching pains
112. Unable to digest fats or starches
113. Jaundice
114. Asthma
115. Epilepsy

116. Dropsy

117. Fever

POTASSIUM PHOSPHATE - #7

118. Insomnia

119. Appendicitis

120. Diarrhea

121. Improper fat digestion

122. Offensive secretions

123. Bowel bleeding

124. Poor memory

125. Despair/anxiety

126. Fear/sadness

127. Weak muscles or paralysis

128. Nerve pains

129. Alternating moods

130. Hysteria

131. Sleepwalking

132. Depression

133. Brain concussion

134. Delirious

135. Loss of mental power

136. Impotence

137. Prostration after exercise

138. Spasms/cramps after exercise

139. High pulse rate

140. Nervous asthma

141. Excessive menstruation

142. Nerve/muscle disorders

143. Nausea

144. Motion sickness

POTASSIUM SULPHATE- #8

145. Fever

146. Skin conditions

147. Sinus congestions with headache

148. Yellow coated tongue

149. Yellow/slimy mucous/pus

150. Bronchitis

151. Asthma

152. Pneumonia

153. Arthritis/rheumatism/gout

154. Alternate hot/cold

155. Weary and heavy

156. Anxiety/sadness

157. Heavy headache

158. Pains in hands or feet

159. Pains that move around

160. Symptoms get worse in the evening

161. Jaundice

162. Indigestion

163. Dandruff

164. Yellow vaginal discharge

165. Difficult menstruation

166. Frequently miss periods

SILICA - #9

167. Connective tissue problem

168. Hair disorders

169. Nail disorders

170. Skin disorders

171. Poor memory

172. Slow/difficult thought

173. Absent-mindedness

174. Arthritis/rheumatism

175. Lymphatic congestion

176. Dry feet with odor

177. Night sweats

178. Feet/armpits over perspire

179. Weakness

180. General irritability

181. General debility

182. Boils/carbuncles

183. Tire easily

184. Inner chilliness

185. Little body heat

186. Menses with icy coldness & constipation

187. Headaches from studying

188. Nervous exhaustion

189. Digestive conditions

190. Cataracts

191. Deafness

192. Ulceration of nasal bones

193. Mouth/tongue ulceration

194. Vaginal discharge

195. Cystitis/tumors

196. Thick mucous membranes

197. Foul diarrhea

198. Breast inflammation

199. Hacking cough

200. Painful constipation

201. Sore tender feet

202. Spinal irritation

203. Bruised/diseased bones

204. Joints crack

205. Weak ankles

206. Chronic insomnia

207. Anal spasms

SODIUM CHLORIDE - #10

208. Diarrhea

209. Dry chronic constipation

210. Edema

211. Bloating

212. Watery eyes

213. Excessive salivation

214. Crave salt

215. Chills/fever

216. Mucous

217. Hay fever

218. Asthma with edema

219. Chronic facial eczema

220. Addison's disease

221. Cold hands/feet

222. Sunstroke

223. Gum ulcers

224. Greasy skin

225. Cracked fingertips

226. Nervous bowels

227. Sciatica

228. Hysteria

229. Hair loss/dry scalp

230. Rapid pulse

231. Stupor in illness

232. Heart palpitates and/or flutters

233. Sterility

234. Hands and/or feet numb

SODIUM PHOSPHATE - #11

235. Arthritis, rheumatism or gout

236. Poor fat digestion

237. Nausea

238. Motion sickness

239. Sick headaches

240. Sour breath with vomiting

241. Offensive odor in front of nose

242. Heartburn

243. Pain after eating

244. Diarrhea

245. Frequent but slight urination

246. Constipation with acidity

247. Sterility with acid symptoms

248. Sour, creamy vaginal discharge

249. Yellow eye discharge

250. Eczema with creamy secretions

251. Thick yellow mucous

252. Diabetes

253. Insomnia with itching

254. Acidity in young child

255. Low white blood count

SODIUM SULPHATE - #12

256. Perspire very little

257. Mucous membranes very dry

258. Skin too moist or too dry

259. Always thirsty

260. Edema

261. Constipation

262. Diabetes

263. Flatulence (gas)

264. Gallbladder, liver, kidney disorders

265. Leukemia

266. Yellow-green mucous

267. Vomiting with diarrhea

268. Fever/flu

269. Irritable with depression

270. Jaundice

271. Arthritis, rheumatism or gout

272. Watery pus discharges

273. Soft warts

274. Crops of warts

275. Bronchial asthma

276. Night asthma attacks

277. Eyelids stick shut

278. Flat and/or soapy taste in mouth

279. Incontinence of urine

280. Vomiting during pregnancy

281. Nose, mouth or gums burn

282. Ear ache with noises in ear

283. Tongue is coated greenish-brown

284. Excessive milk in lactation

285. Sciatica

286. Nausea

287. Vertigo

288. Neuralgic sick headaches

289. Excessive sleepiness

290. Concussion
