

# Zest Tonic

Take 1/2 cup of Gordon Gin.

Add the fresh juice of 1 lime.

Add 2 tsp. Juniper Berry powder.

Add 1 dropper Healthy Vibes™.

Blend for about a minute, and then pour it thru a strainer.

Add this mix to lime flavored sparkling water - 1 part Gin, Juniper Berry & lime slurry to 2 parts lime flavored sparkling water.

This makes about 3 or 4 servings. Refrigerate.

Sip very slowly after meals. Allow tongue to slowly absorb it.
